

April 1, 1992

LB 111, 189, 306A, 719A, 1172
LR 422, 423

SENATOR BEUTLER: Senator Lamb, I would just ask once more for the advancement of the bill. I intended to give you part of my closing time, Senator Lamb, but since you're in the Chair I suppose that would not be appropriate. Thank you.

SENATOR LAMB: You have me trapped. The motion is to advance LB 306A to E & R Initial. Those in support vote aye, those opposed vote no. Have you all voted? Please record, Mr. Clerk.

CLERK: 28 ayes, 3 nays, Mr. President, on the advancement of 306A.

SENATOR LAMB: LB 306A advances. Mr. Clerk.

CLERK: Mr. President, thank you. A hearing notice from the Transportation Committee signed by Senator Kristensen. Confirmation hearing; amendments to LB 719A by Senator Lindsay; Senator Chizek to LB 189. We have an Attorney General's Opinion addressed to Senator Byars (re. LB 1172). New resolution by Senator Rod Johnson, LR 422, asking the Legislature to approve a gift from the Game and Parks Foundation, the Game and Parks Commission. That will be laid over. LR 423 by Senators Robinson, Hefner, Conway, Wehrbein, Morrissey, asking the Legislature to urge the United States Army Corps of Engineers to consider the economic impact and cost of reduced flows on the Missouri River. That will be laid over as well, Mr. President. That's all that I have. (See pages 1800-07 of the Legislative Journal.)

SENATOR LAMB: Thank you, Mr. Clerk. The next bill will be LB 111. We'll move back to Item 7. Senator Pirsch.

CLERK: Mr. President, actually the first motion I have on LB 111 is by Senator Dierks. Senator Dierks would move to return the bill for specific amendment. The amendment is found on page 1081 of the Journal.

SENATOR LAMB: Senator Dierks.

SENATOR DIERKS: Mr...Senator Lamb and members of the body, thank you for the opportunity to visit with you about this issue again. If you recall, I amended LB 111 on Select File to address a number of issues regarding bad checks. My first attempt was...there was some concern and opposition, but eventually we were able to develop an amendment which everybody
